

## **FY2015 (March 1, 2015 – February 29, 2016) Ryan White CARE Act Part A funded programs:**

### **Eligibility for use of Ryan White Part A funds:**

Individual clients are eligible for Ryan White-funded services if they:

- Documented as living with HIV, as confirmed by a primary medical provider or lab tests
- Resident of King, Snohomish, or Island County
- Living at or below 300% of Federal Poverty Level (approximately \$35,310.00 for a single person and \$60,270.00 for a family of three)

### **Services Available under the Ryan White Part A program:**

Case management programs are often the gateway to helping PLWH access other needed services, such as medical care, insurance, prescription drug programs, and a variety of medical and social services. The following agencies provide Ryan White Part A-funded case management:
